OUR BUSINESS PROGRAMS

We offer members networking opportunities, like Business After Hours and the Brew, as well as business development classes and workshops. Our members stay visible with our marketing strategies and stay connected through our extensive outreach initiatives and community building.

OUR TOURISM INITIATIVE

We started the Explore Abbeville initiative in 2021, a program that promotes special attractions in our townships through both marketing and events. We also operate the Abbeville County Visitors Center for all tourism needs.

WHO WE ARE

The Abbeville County Chamber of Commerce is a nonprofit organization with the goal of strengthening business, tourism, and community in all of our County's townships--Abbeville, Due West, Donalds, Calhoun Falls, and Lowndesville.

WHAT WE DO

Through programs, events, outreach, and advocacy, we have promoted and served our members and our County since 1982. With a focus on both business and tourism, we work to make Abbeville the location of a thriving business environment as well as a destination for rural tourism, leading to growth and opportunities for all.
